'Made with Pride'

The Thornham has continued to be one of our most popular models and for 2012 we have enhanced this range further creating even more space in the lounge areas by increasing the homes overall size providing an interior that is practical and modern throughout. Available in both two and three bedroom configurations the Thornham offers simplicity and style for all pockets.

The spacious and comfortable lounge, kitchen and dining area provides plenty of room for all your family and friends to enjoy. It really is a holiday home where you can enjoy spending time whilst offering real value for money.

With a vaulted ceiling throughout, Upvc double glazing, stylish interior design, along with space and comfort the Thornham offers everything you would expect from a Normandy Holiday Home.
