'Made with Pride'

The Trouville introduces a whole new range of affordability never offered from Normandy Holiday Homes before, the Trouville creates a feeling of space, comfort and style not normally associated at this price level.

The lounge seating provides a sweeping 'L' shaped seating configuration making sure no matter how many you invite in there will be room for everyone, the dining area has a free standing table and upholstered chairs to seat 4 or 6, a provision normally reserved for larger homes.

Style and quality of build are features high on Normandy's must have list and the Trouville is no different, vaulted ceiling to the lounge, domestic contoured internal doors all topped off with a pantile roof make sure you will be more than impressed with the Trouville's combined quality and affordability.
